

CULPEPER COUNTY
OFFICE OF EMERGENCY SERVICES

TRAINING ANNOUNCEMENT

SUBJECT: SKYWARN Basics

PLACE: Office of Emergency Services
14022 Public Safety Ct. Culpeper VA
22701

DATE & TIMES: Wednesday April 3rd 2019 1900-2200

By attending this course, you will be trained by NWS personnel to recognize features associated with developing, mature, and dissipating thunderstorms which cause hazardous weather such as lightning, flooding, hail, tornadoes and downbursts. The attendee will also learn basics about winter weather and tropical hazards. At the end of the course, you will be assigned a SKYWARN® spotter number which will be maintained in the official database at the NWS in Sterling. You will also be directed how to report this vital weather information. For those who have attended in the past but want a refresher, please feel free to attend. We would love to see you again!

This SKYWARN® Spotter Class is offered free of charge from the combined efforts of your local National Weather Service Forecast Office and Culpeper County Office of Emergency Services. A National Weather Service meteorologist will teach the class and provide related materials.
