COURSE ANNOUNCEMENT

L146: Homeland Security Exercise Evaluation Program (HSEEP)

Dates: February 4-5, 2020

Times: 8:00 a.m. to 5:00 p.m.

Location: Orange County Rescue Squad, 151 Berry Hill Rd., Orange, VA

To Register: Click here <http://covlc.virginia.gov>

This 2-day period of instruction is for those individuals that are directly involved in the planning, design and evaluation of training exercises. The intermediate-level course incorporates exercise guidance and best practices from the HSEEP Volumes. It is an interactive course that allows participants to share personal lessons learned and best practices while gaining practical experience. In addition to the instructor-led course presentations, the course includes small group activities, group discussions, and introductions to HSEEP and related initiatives such as supporting technology (e.g., HSEEP Toolkit) and capabilities-based planning (e.g., UTL and TCL). This approach provides participants with hands-on experience that readily translates to real-world exercise responsibilities. Activities include creating exercise documentation, conducting planning conferences and briefings, and practicing exercise evaluation.

Prerequisite: IS 120.C An Introduction to Exercises:
(<https://training.fema.gov/is/courseoverview.aspx?code=IS-120.c>)

Purpose: To provide intermediate-level knowledge as well as incorporate exercise guidance and best practices from the HSEEP Volumes to participants

Target Audience: Individuals that are directly involved in the planning, design and evaluation of training exercises. This course is also a requirement for those completing the Emergency Management Professional Program Basic Academy.
