

BASIC DISASTER LIFE SUPPORT

Join the *Northwest Region Healthcare Coalition* for this BDLS course offering!

BDLS® is targeted to multiple disciplines including: emergency medical service (EMS) personnel, hazardous materials personnel, public safety and public health personnel, and health care providers. By teaching multiple disciplines simultaneously, a commonality of approach and language will develop, improving the care and coordination of response in WMD disaster and public health emergencies.

When: April 28th and 29th 2021.

Time: 1:00 PM to 4:30 PM

Where: Online

Advanced registration is required.

Registration: Email Matt Cronin at exercise&training@nwrhcc.org

****Please remember to take the Pre-Course Assessment PRIOR to the class! Thank you!****

- **Registration is now open!!**
- **IMPORTANT: Please remember to take your Pre-Test PRIOR to day of class!**

Note: Please DO NOT download the eBook unless you are certain you will be attending. A fee may be assessed for all downloaded material for any no-shows. Read ALL download instructions before you download.

If you have any questions about this class or would like information on upcoming classes, please contact Matt Cronin with NWRHCC at 540-840-6822 or email: exercise&training@nwrhcc.org

This course is OPEN to all First Responders, Hospital/LTC staff, MRC, CERT, and any other partnering agencies of the *Northwest Region Healthcare Coalition* who may respond or support those responding to a disaster or large-scale emergency in the region.

There is **NO COST** to attend. To contact Course Host, please email Matt Cronin at: exercise&training@nwrhcc.org
