COVID-19 Resources

PPE.Exchange

Virginia Hospital & Healthcare Association Embarks on New Partnership with [PPE.Exchange](#), a Global Online Vendor and Validated Source for Acquiring Personal Protective Equipment. Through this exciting new partnership, VHHA will function as a conduit to connect health care providers and organizations across many other industries to a reliable pipeline for acquiring PPE supplies from vetted vendors through PPE.Exchange.

WHEN TO TEST

[When to Test](#) is a testing impact calculator that is a modeling tool that visually shows how different mitigation strategies can minimize the spread of COVID-19. Use this calculator to identify testing options that will help reduce the spread of COVID-19 within your organization.

STOP THE SPREAD

COVIDWISE is Virginia's official exposure notifications app that lets you know if you've likely been exposed to another COVIDWISE user with a positive COVID-19 test result. Download Virginia's free [COVIDWISE](#) Exposure Notifications app to help protect your community while protecting your privacy.

STAY INFORMED
