

# VDEM Training, Education and Exercise Division

## Course Announcement

### G191 Incident Command System/Emergency Operations Center Interface

This 8 hour course works best when delivered to Incident Command System and Emergency Operations Center personnel from the same community. The course provides an opportunity for participants to begin developing an ICS/EOC interface for their community. The course reviews ICS and EOC responsibilities and functions and depends heavily on exercises and group discussions to formulate the interface.

### Prerequisites

Recommended: IS-100, IS-200 or equivalents.

### Registration

Registration is OPEN and will most likely fill fast. To register, log-in to the Commonwealth of Virginia Learn Center: <https://covlc.virginia.gov/>. When searching for this course in the VLC, use this keyword: ICS 400. If you need assistance, please contact the Help Desk at [lmshelp@vdem.virginia.gov](mailto:lmshelp@vdem.virginia.gov).
